Work experience

Assistant Manager UI/UX

Renault Nissan Technology Business Centre India | Oct 2017 – Jan 2020

CHUET: Renault's internal SaaS product for Spanish plant — led UX design from user interviews to delivery. Created responsive dashboards, journey maps, and prototyped admin and plant-side workflows across tools like DEMAIN, HSK. Integrated usability testing and visual audits for enterprise grade systems.

Quality Analyst & Web Designer

Infosys India Limited | September 2014 - January 2016

Collaborated with internal teams to define user interface requirements, ensuring quality standards. Utilized diverse colors, shapes, and typography to enhance user experience and aesthetics. Created original graphics using traditional and digital techniques, refining illustrations for visual consistency. Developed prototypes and models, maintaining aesthetic consistency across platforms. Presented drafts to stakeholders for feedback, fostering innovation through brainstorming sessions. Stayed updated on design trends and software advancements to improve project outcomes. Projects: Telstra Sensis

Quality Analyst

Wipro India Limited | July 2013 - August 2014

Worked as a Quality Analyst & Graphic Designer at Wipro India Limited, creating advertisements and themes, refining client presentations, collaborating with stakeholders, designing layouts (logos, posters, images), and conducting quality checks to ensure high standards.

Visual Designer

Mayil International Studios | Apr 2012 – Jun 2013

Created digital designs, branding elements, floor plans, and brochures for clients across diverse industries. Developed strong visual communication skills and worked closely with clients to refine concepts and incorporate feedback. Strengthened fundamentals in layout, typography, and brand storytelling.

Graphic Designer Quality Analyst

Micello mobile | Nov 2009 – Mar 2012

Specialized in indoor cartography: created detailed maps of malls, airports, convention centers for clients in the US, UK, Singapore, and Japan. Used Adobe Illustrator and Photoshop extensively to design and annotate map assets. Trained and mentored 15+ new hires at the Ahmedabad facility in production processes and quality standards.

Web Designer

BIOSOL AV India Ltd | Oct 2008 – Oct 2009

Designed responsive websites, digital graphics, and branding collateral for corporate and commercial clients. Responsible for layout design, visual hierarchy creation, and maintenance of web graphics. Gained experience in basic frontend development (HTML/CSS) alongside graphic design.

Debt Management Officer

HSBC India Ltd | Oct 2007 – Sep 2008

Customer Care Executive

Sify Technologies Ltd | May 2007 – Sep 2007
